**RECTOR
of the Jagiellonian University**

announces a competitive selection process for the post of
an ASSISTANT PROFESSOR
in the research staff member group

**at the Institute of Computer Science and Computational Mathematics
of the Faculty of Mathematics and Computer Science**
academic disciplines: Mathematics or Computer Science
or Technical Informatics and Telecommunications

The competitive selection process is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.3) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 165 of the Statute of the Jagiellonian University:

- 1) holding at least a doctoral degree;
- 2) having relevant scientific achievements;
- 3) taking active part in scientific life.

Additionally the following criteria apply in relation with project funding requirements:

4) holding at least a doctoral degree obtained not earlier than in 2015 (this period is extended in case of documented parental leave, longer health-care leave; in the case of women, this period is extended by 18 months for each born or adopted child)

5) the candidate needs to meet the criteria defined in the Annex to NCN Council Resolution No 95/2020, i.e.: their PhD degree has been awarded by another institution than the Jagiellonian University; at the time of receiving remuneration, they will not be receiving any other remuneration paid from the funds granted to research projects under NCN calls under the heading of direct costs; within the period of receiving the remuneration they will be receiving no remuneration from another employer pursuant to an employment contract, including an employer with registered office outside of Poland.

The post is offered at the Atmospheric Cloud Simulation Group (<https://atmos.ii.uj.edu.pl/>), within the framework of a National Science Centre (NCN) funded project: „Modelling isotopic signatures in precipitation using particle-based cloud microphysics”.

Employment is offered for a period of up to two years (but no longer than till the end of May 2024). The salary is according to NCN regulations for a post of „postdoc”, i.e. PLN 120 000 per year gross (where deductions extend to all costs beared by the employer), amounting to ca. PLN 6000 monthly net (the approximate net amount is given for reference, and does not constitute a binding obligation upon the University).

Candidates should submit the following documents by e-mail to sylwester.arabas@uj.edu.pl:

1. CV (including list of publications and scientific and organisational achievements);
2. brief statement of research;
3. copy of the doctoral diploma and doctoral dissertation reviews;
4. pointers to contributions to public source code repositories;
5. two reference letters;
6. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the competitive selection process;
7. declaration under Article 113 of the Law on Higher Education and Science;
8. declaration on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University;
9. information regarding processing of personal data.

Earliest possible commencement of employment: 1 June 2022.

Competitive selection process start date: 3 March 2022 .

Application submission deadline: 3 April 2022 .

The competitive selection process will be concluded by 30 April 2022 .

The Jagiellonian University does not provide housing.

Declaration forms can be obtained at: <http://www.cso.uj.edu.pl/-nauczyciele>

When selecting candidates, the Jagiellonian University follows the principles set out in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

On behalf of
the Rector of the Jagiellonian University
Dean of the Faculty of Mathematics and Computer Science
